PT

Com a combinação entre materiais reciclados de madeira com termoplástico, o deck composto Sagiper, apresenta vantagens competitivas em relação ao seu homónimo proveniente da natureza.

EN

With the combination of recycled wood with thermoplastic composite deck Sagiper, presents competitive advantages over its natural counterpart.

FR

Avec la combinaison entre les matériaux recyclés de bois et thermoplastiques, le Deck composite Sagiper, représente des avantages compétitifs en rapport à son origine naturelle.

Praia. Cheiro a maresia. Perene mar de sensações.

The beach. The smell of seabreeze. An evergreen sea of sensations.

Plage. Odeur de la mer. Mer pérenne de sensations.

Montanha. Momentos únicos em harmonia plena.

Mountain. Unique moments in pure harmony.

Montagne. Des moments uniques en harmonie.

A photograph of a modern outdoor dining set on a dark wooden deck. The set includes a square table and four chairs, all made of a dark, textured wicker material. The chairs have a high back and armrests. The table is square with a dark top. The deck is made of dark, horizontal wooden planks. In the background, there is a large glass door leading into a kitchen area with white cabinets and a wooden countertop. The lighting is bright, suggesting a sunny day.

Cidade. Escapes ritmados de bem-estar.

The city. Rhythmic getaways full of well-being.

Ville. Échappe bien rythmée.

PT

CARACTERÍSTICAS TÉCNICAS

- » Aspecto e toque de madeira natural;
- » Fácil aplicação;
- » Elevada resistência aos raios U.V.;
- » Face reversível;
- » Anti-derrapante;
- » Elevada resistência à absorção de água;
- » Reduzida dilatação/ contração;
- » Dispensa manutenção;
- » 100% ecológico e reciclável;
- » 15 anos de garantia.

EN

TECHNICAL CHARACTERISTICS

- » Look and feel of natural wood;
- » Easy application;
- » High UV resistance;
- » Reversible Face;
- » Anti-slip;
- » High resistance to water absorption;
- » Low expansion/ contraction;
- » No maintenance;
- » 100% recyclable and eco;
- » 15 year warranty.

FR

CARACTÉRISTIQUES TECHNIQUES

- » Aspect et contact du bois naturel;
- » Application facile;
- » Haute résistance aux UV;
- » Réversible;
- » Antidérapante;
- » Haute résistance à l'absorption de l'eau;
- » Dilatation/ contraction réduit;
- » Pas d'entretien;
- » 100% écologique et recyclable;
- » 15 ans de garantie.
